new SCIVOLA TT

SCIVOLA TT

HANDLE LOCK FOR SLIDING DOORS

The new SCIVOLA TT lock revolutionises the world of the sliding door locks with a new locking "concept"...

Patented POSEIDON locking system

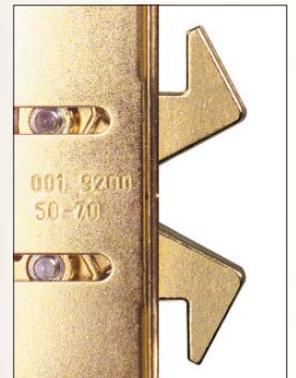

OPERATION

1 Two opposing hooks

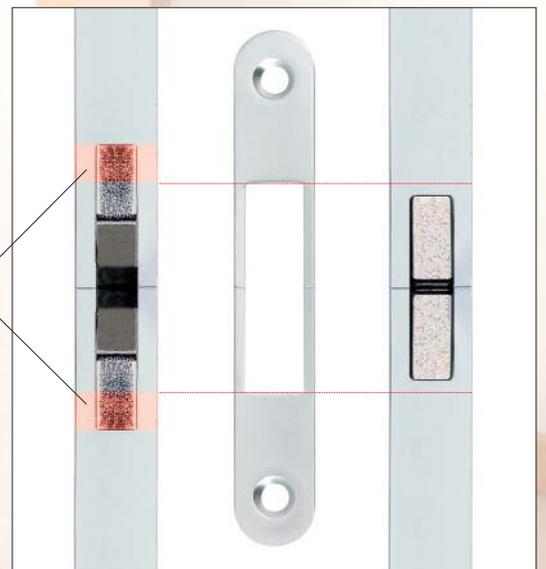

2 throw from the lock forend

3 and rotate onto the striker plate when closing

- Compatible with the recess of the previous SCIVOLA lock
- Coupling allowance when closing: ± 3 mm

Firmer keep on the strike and more reliability when closing

NB. In order to allow improved closing, the dimensions of the strike have been modified

FUNCTIONALITY AND SMOOTHNESS

new
